BIORADIANCE 2027

15th International Conference

From Molecules to Medicine 2.0:
Connecting Basic Research, Diagnostics, Therapeutics and Clinical Practice

Organized By

PUSHPAGIRI RESEARCH CENTRE

VENUE

Senate Hall, Pushpagiri Institute of Medical Sciences and Research Centre, Thiruvalla

DATES

1st – 3rd April 2027

ABOUT THE CONFERENCE

From Molecules to Medicine 2.0: Connecting Basic Research, Diagnostics, Therapeutics and Clinical Practice brings together researchers, clinicians, academicians, and healthcare professionals to bridge the gap between basic biomedical discoveries and patient care. The conference will highlight advances in molecular medicine, genomics, biomarkers, diagnostics, precision medicine, drug discovery, novel therapeutics, AI, and translational research, fostering collaboration and accelerating the journey from scientific discovery to clinical application and improved patient outcomes.

HIGHLIGHTS

- Keynote Lectures
- Scientific Talks
- Oral and Poster Presentations
- Awards for Best Presentations

DAY 1: 1st APRIL 2027

Advanced Methods in the Diagnosis of Infectious Diseases

OBJECTIVES OF THE WORKSHOP

- To provide an overview of recent advances in research approaches for the diagnosis of human diseases.
- To introduce participants to modern diagnostic techniques, biomarkers, and molecular tools used in disease detection.
- To highlight the role of translational research in converting laboratory findings into clinically relevant diagnostic applications.
- To develop participants' understanding of early and accurate disease diagnosis and its importance in improving patient outcomes.
- To facilitate interaction between researchers, clinicians, academicians, and students and encourage collaborative research.
- To identify current challenges, research gaps, and future opportunities in human disease diagnosis.

Limited Seats (30)
First Come, First Serve

DAY 2 & DAY 3: 2nd – 3rd APRIL 2027

THRUST AREAS

- Biomarker Discovery
- Molecular Diagnostics
- Molecular Medicine and Disease Mechanisms
- Precision Medicine
- Translational Research
- Clinical Trials
- Drug Discovery, Development and Repurposing
- Targeted Therapeutics
- Nanomedicine and Drug Delivery
- Metabolic Diseases, Infectious Diseases and Cancer Biology
- Clinical Translation and Evidence Based Practise
- Stem Cell and Regenerative Medicine
- Immunodiagnostics and Immunology
- Research Ethics and Biosafety
- Emerging Technologies in Healthcare
- Future Frontiers in Medicine
- Phytochemistry and Phytopharmaceuticals
- Advancements and Trends in Modern Dentistry
- Microbiome, Antimicrobial Resistance and Human Health
- Bioinformatics, Computational Biology, Artificial Intelligence and Machine Learning in Medicine
- Genomics, Multi-Omics & Systems Biology

REGISTRATION FEES

DAY 1: 1st APRIL 2027 - PRE-CONFERENCE WORKSHOP

Event	Category	Registration Fee	
		INR	USD
Workshop	Under Graduate Student	1000	11
	Post Graduate Student/ Research Scholar	1500	16
	Post Doctoral fellow	2000	21
	Faculty/ Scientist	2500	26
	Industry	3000	31

DAY 2 & 3: 2nd - 3rd APRIL 2027 - CONFERENCE

Category	Early Bird (Up to 28 Feb, 2027)		Late Registration (1st Mar to 31st Mar, 2027)		Spot Registration	
	INR	USD	INR	USD	INR	USD
Under Graduate Student	1250	13	1500	16	1750	18
Post Graduate/ Research Scholar	1500	16	1750	18	2000	21
Post Doctoral fellow	1750	18	2000	21	2500	26
Faculty/ Scientist	2500	26	3000	31	3500	37
Industry	5000	52	6000	63	8000	84

TARGET AUDIENCE

- Undergraduate, Postgraduate, Doctoral Students from Life sciences, Medicine, and Allied fields
- Postdoctoral Researchers
- Faculty Members and Academicians
- Scientists and Researchers
- Medical Professionals and Clinicians
- Industry Experts and Representatives

CALL FOR ABSTRACTS

- Abstracts are invited for oral and poster presentations.
- Send your abstract in prescribed format to
  bioradiance@pimsrc.edu.in
- On or before 15th March 2027

Along with the abstract, please provide the following:

- [x] Title
- [x] Author name
- [x] Affiliation
- [x] Abstract (300 words)
- [x] Keywords
- [x] Name of presenting author should be underlined
- [x] Email of presenting author

PRECONFERENCE WORKSHOP (DAY 1)

CONFERENCE REGISTRATION (DAY 2 & DAY 3)
