DHR-ICMR SPONSORED

NATIONAL WORKSHOP ON

Biomedical Innovations in One Health Research for Combating MDR/XDR Pathogens through *In-Silico*, *In-Vitro* and *In-Vivo* Methodologies

SPONSORED BY

Department of Health Research (DHR)
Indian Council of Medical Research (ICMR)
Ministry of Health & Family Welfare Government of India

2026 September 22-26
Tuesday - Saturday
8.00 -17.00

Venue: **Conference Hall, PRC**

ABOUT THE WORKSHOP

This DHR-ICMR sponsored national workshop brings together clinicians, microbiologists, biomedical scientists, computational biologists and translational researchers to explore integrated One Health approaches for combating antimicrobal resistance using in-silico, in-vitro and in-vivo methodologies

ABOUT PUSHPAGIRI RESEARCH CENTRE

Established in 2010, Pushpagiri Research Centre (PRC) is the Central Research Facility of Pushpagiri Medical Society. It houses advanced research infrastructure, instrumentation & simulation facilities. It's an approved Ph.D. Centre, has a DHR- registered IRB and a CCSEA-approved Animal House with clinical and translational research facilities.

WORKSHOP HIGHLIGHTS

- Hands-on Scientific Sessions
- Live Demonstrations
- Expert Faculty
- Interactive Discussions
- State-of-the-art Research Facilities
- Networking Opportunities

PROGRAMME AT A GLANCE

Day 01	Day 02	Day 03	Day 04	Day 05
One Health & In-Silico	Microbiology & In-Vitro	In-Vivo & Translational Research	Integrated Applications	Scientific Discussions & Valedictory

ORGANISED BY

Pushpagiri Research Centre (PRC)
Tiruvalla, Kerala - 689101
